LED Track Light 30W - EFX-SDS038K

Eco-FX LED track spotlight project a narrow, intense beam of white light directly onto a place or person. Spotlights are primarily suited for environments that require sharp, uniform beams such as in the retail and hospitality industry. The new adjustable beam angle spotlight provides a wide flood 60 beam angle which can be adjusted to a 24deg spot without the use of any additional lenses or reflectors. This fully adjustable spotlight provides all the benefits of LED technology, no UV / IR radiation, 50,000 hours life at 70% luminous flux, maintenance free applications and a considerable reduction in energy consumption over traditional light sources such as halogen. The Eco-FX LED track spotlight is available in 2700K,3000K,4000K and 5000K CCT with a high colour rendering index, typical Ra80 with dimmable function, essential requirements for museums, galleries and high end retail applications. The adjustable beam angle spotlight is a true revolution in accent and display spotlighting.
